Property Description

Set in a very quiet cul-de-sac sits the aptly named Villa Jacaranda. Built in a traditional style with a delightful mezzanined lounge and dining room. This five bedroom house is generously sized in virtually all rooms. A highlight are the gardens which flow on three sides of the house and are stocked with mature specimen plants and trees linked by fine lawns. It has uninterrupted views down the valley to Nerja and across the Sierra Almijaras from most terraces and are particularly striking from the terraces surrounding the 10x5 pool. A very special family home.
