Property Description

Valle San Lorenzo is a lovely Canarian town situated about 10 minutes drive from the tourist resorts Playa de las Americas & Los Cristianos. There is an abundance of good shops, restaurants & bars along the main street. Being in an elevated location the town has picturesque views out to sea and over the mountains. Villa Montana is situated on the outskirts of the town with an uninterrupted view out to sea. This very attractive villa has a constructed area of 280 m² built on a plot of 620 m², and consists of a large lounge, dining room, large open kitchen, 3 double bedrooms, 2 bathrooms, cloakroom – all on the ground floor. On the lower ground floor is a totally separate studio apartment with lounge/dining, bedroom, and bathroom, and large garage with utility area. Outside there is an extensive terrace (South facing) with a delightful heated pool, BBQ area and small garden. The terrace has wonderful views over the countryside and out to sea. This property has been drastically reduced to encourage a quick sale and must be seen to appreciate its value.
