Nice apartment fully equipped and furnished in a residential area with pool 300m from the beach. In very good condition, with garage included, community pool, living room, kitchen and bathroom on the first floor, 2 bedrooms on the second floor and very large solarium with sea views on the 3rd floor. Next to the living room there is a large glazed terrace through which a lot of light enters, since it has 2 large glass doors that access the living room. There is also a terrace on the second floor that is accessed from the rooms making the whole house very bright and well ventilated. The large solarium is really the claim of this house, since its open views of the sea are the whim of any family who likes sunbathing and do outdoor summer meetings.
